

**Fisheries Research Station,
SPVNR TSU VAFS,
Palair – 507157, Khammam (Dist), Telangana**

The department of Fisheries, Government of Andhra Pradesh established the Fish Seed Farm at Palair, Khammam district in the year 1962 and subsequently it was renamed as State Fish Farm and entrusted with the responsibility of Teaching, Research and Extension. A unit of All India Coordinated Research Project on Propagation and Stocking of Air Breathing Fishes for culture and swamps was started in the year 1975. This station which was catering the needs of Teaching, Research and Extension was brought under the administrative control of Andhra Pradesh Agricultural University in the year 1976. FRS has come into the fold of Sir P.V.Narasimha Rao Telangana State University for Veterinary, Animal and Fishery Sciences in the year 2014 consequent to the State bifurcation.
